PLEASE NOTE: In response to COVID-19 and current public health guidance, the Port has modified its Sail-in Cinema to accommodate drive-in theater viewing only in summer 2020. Park viewing will not be available, and boat viewing will likely be unavailable from the North Docks (radio frequency will remain available to boaters). Registration is free, but is required to participate. Reservations are first come, first served and space is limited. In the event of extreme weather or rain, a movie night may be canceled.
