Beach Walk Mukilteo Lighthouse Park

A nighttime beach walk is an adventure not to be missed!

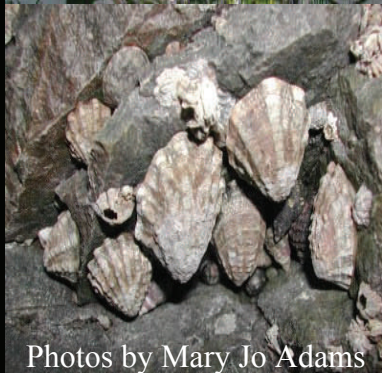

Familiar shorelines turn surprisingly magical as creatures are uncovered during the nighttime low tides of winter.

Join beach naturalists from WSU Snohomish County Extension Beach Watchers and Snohomish County Marine Resources Committee for a free evening of discovery.

**Mukilteo Lighthouse Park
December 3, 2010
7:30pm to 9:00pm**

*Wear warm layers, bring flashlights and rain gear.
Sturdy footwear or rubber boots are recommended.*
