PRE-CONSTRUCTION NOTICE Bond Street Interceptor & CSO Facilities

Installation of a new sewer main on Bond Street, from Hewitt Avenue to Wall Street, is scheduled to begin March 1. The City's contractor, Shoreline Construction, will be doing the work. Normal work hours will be 7 a.m. to 4 p.m., Monday through Friday. See the back of this notice for a map of the project area.

During construction, traffic on Bond Street will be limited to one lane. On-street parking on the west side of Bond Street and the 1000 block of Hewitt Avenue will also be restricted. We apologize for any inconvenience this may cause you. The contractor will provide flaggers to manage traffic and assist pedestrians.

The City and contractor will use mailings, door-hanger notices and direct contact to provide more detailed information as the project moves forward. For more information about the project, please contact Al Rosenzweig, City of Everett Construction Management, at 425-257-7721 or arosenzweig@ci.everett.wa.us.
