"I now realize that my voice does matter and that I do owe it to my community to make an investment in it, and get involved."

- Chris Bailey, LSC graduate 2012

Dear John,

Thank you for sponsoring our past program year 2011-2012.

We'd like you to know that seventy percent of last years graduated class is serving our community on different boards in Snohomish County. The new curriculum we have implemented in both programs have been an success.

Thank you for your tremendous support.

With warm appreciation,

Sarri Gilman & Crystal Donner
