#### NOTICE OF SIGN DEMONSTRATION-WATERFRONT PLACE CENTRAL

The Port of Everett has proposed the Amendment the Planned Development Overlay (PDO) Zone for the Port Gardner Wharf/North Marina project now known as Waterfront Place. The amendment includes a proposal to change the development requirements to permit a digital/electronic readerboard sign to be located at the main entrance of proposed development at **13<sup>th</sup> Street (Port Gardner Way) and West Marine View Drive**. The current development agreement does not permit flashing, digital or electronic message signs.

The sign is proposed to include glare up-light shielding to protect nearby residential areas and a management plan that prohibits flashing or attention-getting transitions and requires messages that change less than 1 time per minute.

A demonstration of the proposed electronic readerboard sign will be conducted at the proposed sign location on **Thursday, November 20, 2014 from 12 PM to 8 PM**.

Comments on the proposed sign can be made to:

City of Everett Planning, Jim Hanson  
2930 Wetmore, Suite 8A  
Everett, WA 98201
